## Writing

Dear Sir/Madam,

Derinnomyssk, Russia  
25/09/2018

I am writing you with the aim to introduce my suggestions on how to improve the life of our citizens. My suggestions are about outdoor sports facilities.

First suggestion is about town's public swimming pool. It has been a long time since it was built and I suggest to do the capital repairing of it. It needs new showers, new filters and pumps. After the fixing, our pool will be more popular among citizens and especially youngsters.

My second suggestion is to build free public stadium. There must be free sports courses for children, teenagers and adults. Also, it must have more than 5000 sitting places. This action will help our citizens to spend their free time in a healthy way.

My last suggestion is to open more gyms. There will be a lot of different facilities for anyone. For example, yoga classes, or gymnastics for children and adults or simple trainings to keep fit.

I hope that my suggestions will help to improve our town. We all love living in Derinnomyssk, so we want it to be better. I look forward to get your answer.

Your faithfully,  
Petrov Ivan
