An Unforgettable Adventure

It was a cold autumn and me and my family were travelling to Sardinia land Italy. Weather there was calm and very warm in the afternoon but windy and wet. Me and my sister were walking to the mountains and those actually were incredibly beautiful. We even saw seagulls flying over our heads.

So we were walking and suddenly my sister stopped. I was so amazed by the beauty of those places and I didn't see her stopping and walked in her back. ^{luckily, my} sister didn't fall but I saw someone besides her. There was standing a little baby goat. I felt very ? and couldn't move a muscle. I wanted to cuddle the baby but it was risky.

Then little goat ran away and made my day better.

Wonderful restaurant

This summer I went to Turkey with my grandmother. That was the best holiday! I made a lot of photos but one of them is the most important for me. It's a photo where we are in the restaurant.

We had a package holiday so all the food was free for us and we could decide ^{on} anything of all delicious dishes. I ~~was wondering~~ ^{wondered} what was the awesome smell from the street while we were wandering, and when I first saw this outstanding food, it was really breathtaking! Chefs came up with miraculous and unusual dishes so we were really happy because we expected something simple.

Every ~~next~~ day there was new and brilliant food. In the photo I ~~and~~ ^{with} my grandmother are near the table in the restaurant. There are dishes on it and a chef behind it. We were watching how he was cooking. It was really interesting. There was a lot of fire too. I think it was very great! The chef couldn't understand our words but he was smiling, and we too. I remember decided this photo because I always remember my emotions this summer very well when I look at it!

Family photo

I'd like to describe my favourite picture which give me cozy mood.

It is my family photo. It was taken at the Turkish airport when we went on holidays. In the front of this picture are my parents with me. Our faces looks happy because we arrive at long-waited wakation.

Also behind us you can see a plane in this picture. It's so huge! My mum is holding a package holiday. Breathtaking tour is waiting for us! This tour come up with our tour agent and wander about it.

The weather in Turkey is hot so we are wearing shorts and T-shirts in this photo. People among us also have smiles and wearing light clothes.

I'd like this photo because my family every year travel to Turkey and it's our tradicron. Also I like when my parents feel happy. This family photo give me friendly and happy mood. I want to take photos like that all life.

A photo of Friendship

The fact that photos exist makes my life brighter and happier. I know for sure that none of important events of my life will fade out from my memory because I have an opportunity to depict every second and every moment of happy pastime. Isn't it wonderful? I have no doubts that every person reading this has a favourite photo. And I'm not an exception.

The photo shows me and my classmates having a picnic on the coast of the sea. In the foreground you can see our satisfied and "not-hungry-anymore" faces. We are very happy. In the background a breathtaking sunset is shown. It makes everything around look magical. This photo was taken last year when me and my classmates went on a trip. We were wandering along the coast when one of us came up with an idea to have a picnic and take a picture of it. That trip was very spontaneous but it felt like a real package holiday. This photo is my favourite because it is a starting point of our friendship with classmates.

Remember, taking photos is not a waste of time, it is our memory and emotions.
